

NEOOC'S first event of 2014 was held at the Octagon in the CVNP. The weather forecast was cold and wet. I thought that NEOOC's first event would have a small turnout. As it turned out we had 36 starts with 62 participants. Randy Mitchell did a great job and had every control out before the participants arrived. Todd Pownell did an excellent job handling the registration and because I did not check how many NEOOC UNI-FORMS were in the case, we ran out. Kathy Jo Refener handled both the starts and finishes and did a great job with both.

As participants were copying their maps, it was found there was a difference between the map that the Course Designer used and the one that the participants were using. So Randy had to make some changes in the upper level courses. Bob Boltz removed them before any participant reached them.

A Big Thanks to Kathy Jo Refener for picking up all of the WHITE Course and Bob Boltz and Fred Mailey for picking up the balance of the courses. All the Courses were picked up as ice crystals were coming down (Wet and Cold).

Ken Lappin - Event Director

### **WHITE COURSE**

45 Min - Linda Ulinski  
46 Min – Michael & Victor Myhal  
47 Min – Fred Lambing  
48 Min – Kevin Tuttre
