As always, a thank you to the volunteers. Without our all volunteer crews no orienteering events would happen in Northeast Ohio. A special thank you to Richard Davies, who as a first time course designer and setter, did a fantastic job of providing a challenging and entertaining set of courses on a day that proved perfect for orienteering. Though rained threatened, it never materialized to dampen any one's "spirit." Another thank you to Naturalist Connie Michaels, who each year that we have been at Quail Hollow has been a friend of orienteering. Connie oversees the Nature Center that we utilize as our base of operations. [To find out more about Connie and her mission with the park, please see the NEOOC website. I will be uploading a blog that I read while preparing these results.

We were once again graced by the presence of Frank and Wes Mahne. At 86 Frank continues to be an orienteering miracle. Familiar face John Priebe also returned to our to our meets. As an ordained minister, his calling had moved him from our immediate area. But good news for us, his calling is bringing back soon. Furthest traveled to attend: Sara Peck and David Lappin --both are long, longtime members. Sara remembers the founders. But they are members at a distance. Both now live in the Upper Penninsula of Michigan --the U.P. Special thanks to K.J. Rufner and Steve Wells, who each came out later in the day expressly to help pick up controls. We need dedicated members like these, who love orienteering and devotedly support their club.

Well, enough the small talk... on to the results. (One note: there was a small Oops on the Orange course. The final control was placed as manual control, when it should have been an e-punch control.)
