

MAZE-O Practice

(c) Andreas Johansson 2016

"PEOPLE CHANGE IN THE MAZE.

OH, FIND THE CUP IF YOU CAN. BUT BE VERY WARY;
YOU COULD JUST LOSE YOURSELVES ALONG THE WAY."

- ALBUS DUMBLEDORE

Use these mazes to practice finding the best routes through. Create multiple passes through each maze, and focus on trying to make the routes as fast as possible. The fewer turns a route has, the faster it is.

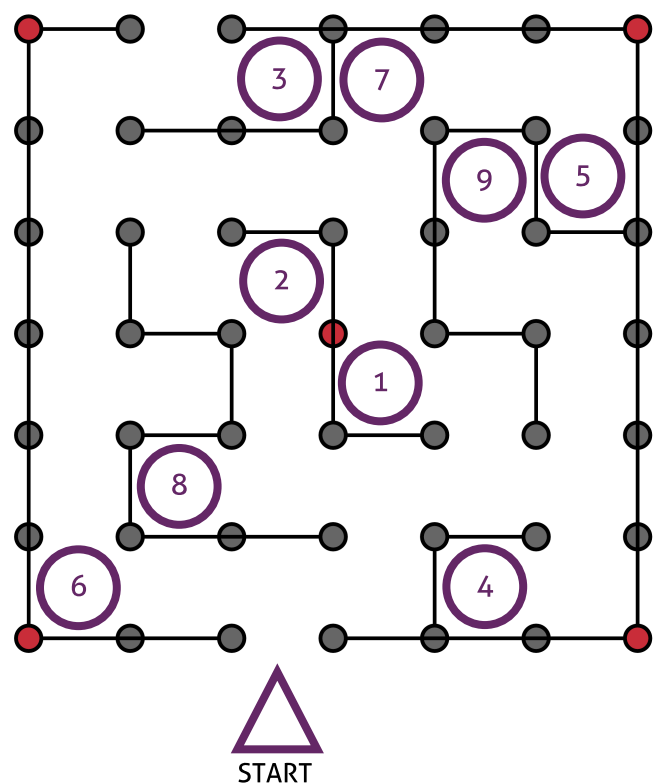

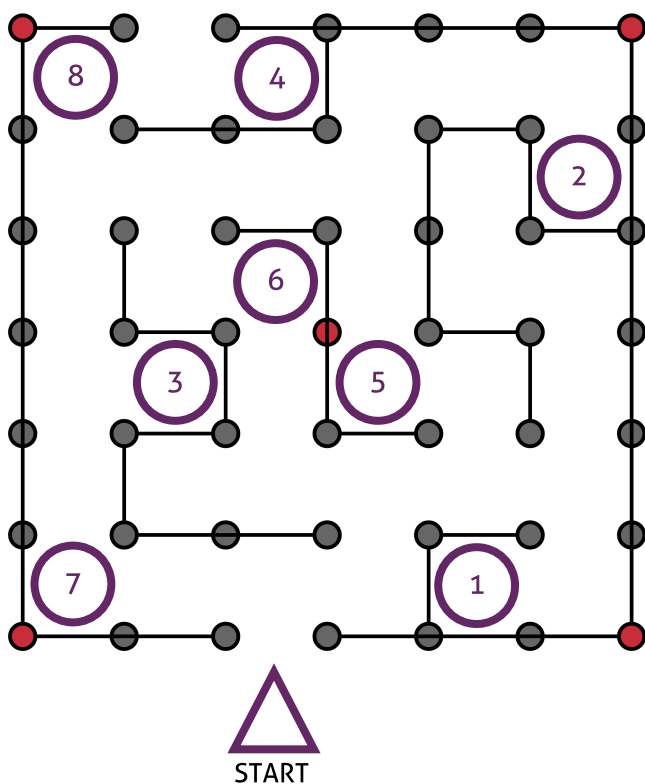

NAME

DATE

MAZE-0 Practice #1

(c) Andreas Johansson 2016

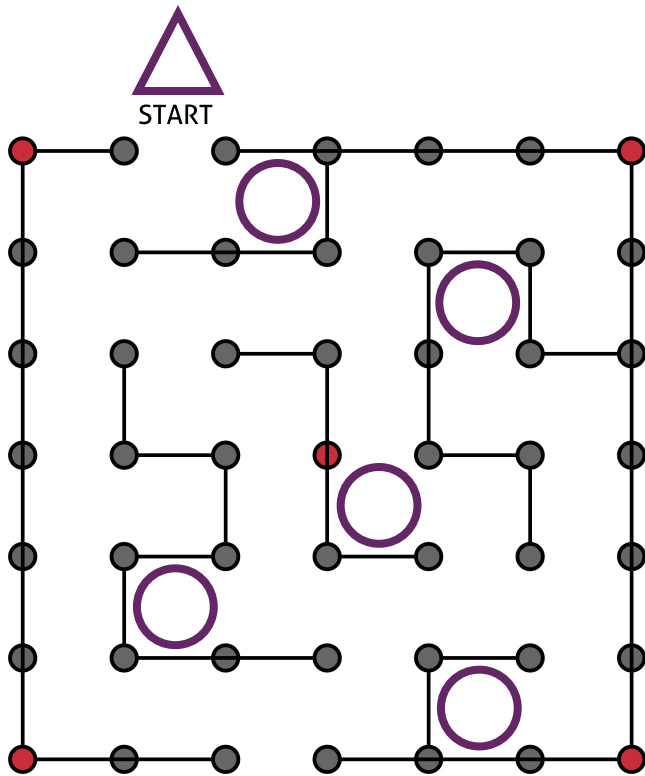

Use the practice mazes to find the best / quickest / shortest route through the mazes, making sure to hit each control in order. Draw one, or multiple paths - use colored pens or pencils to mark your routes.

MAZE-0 Practice #2

(c) Andreas Johansson 2016

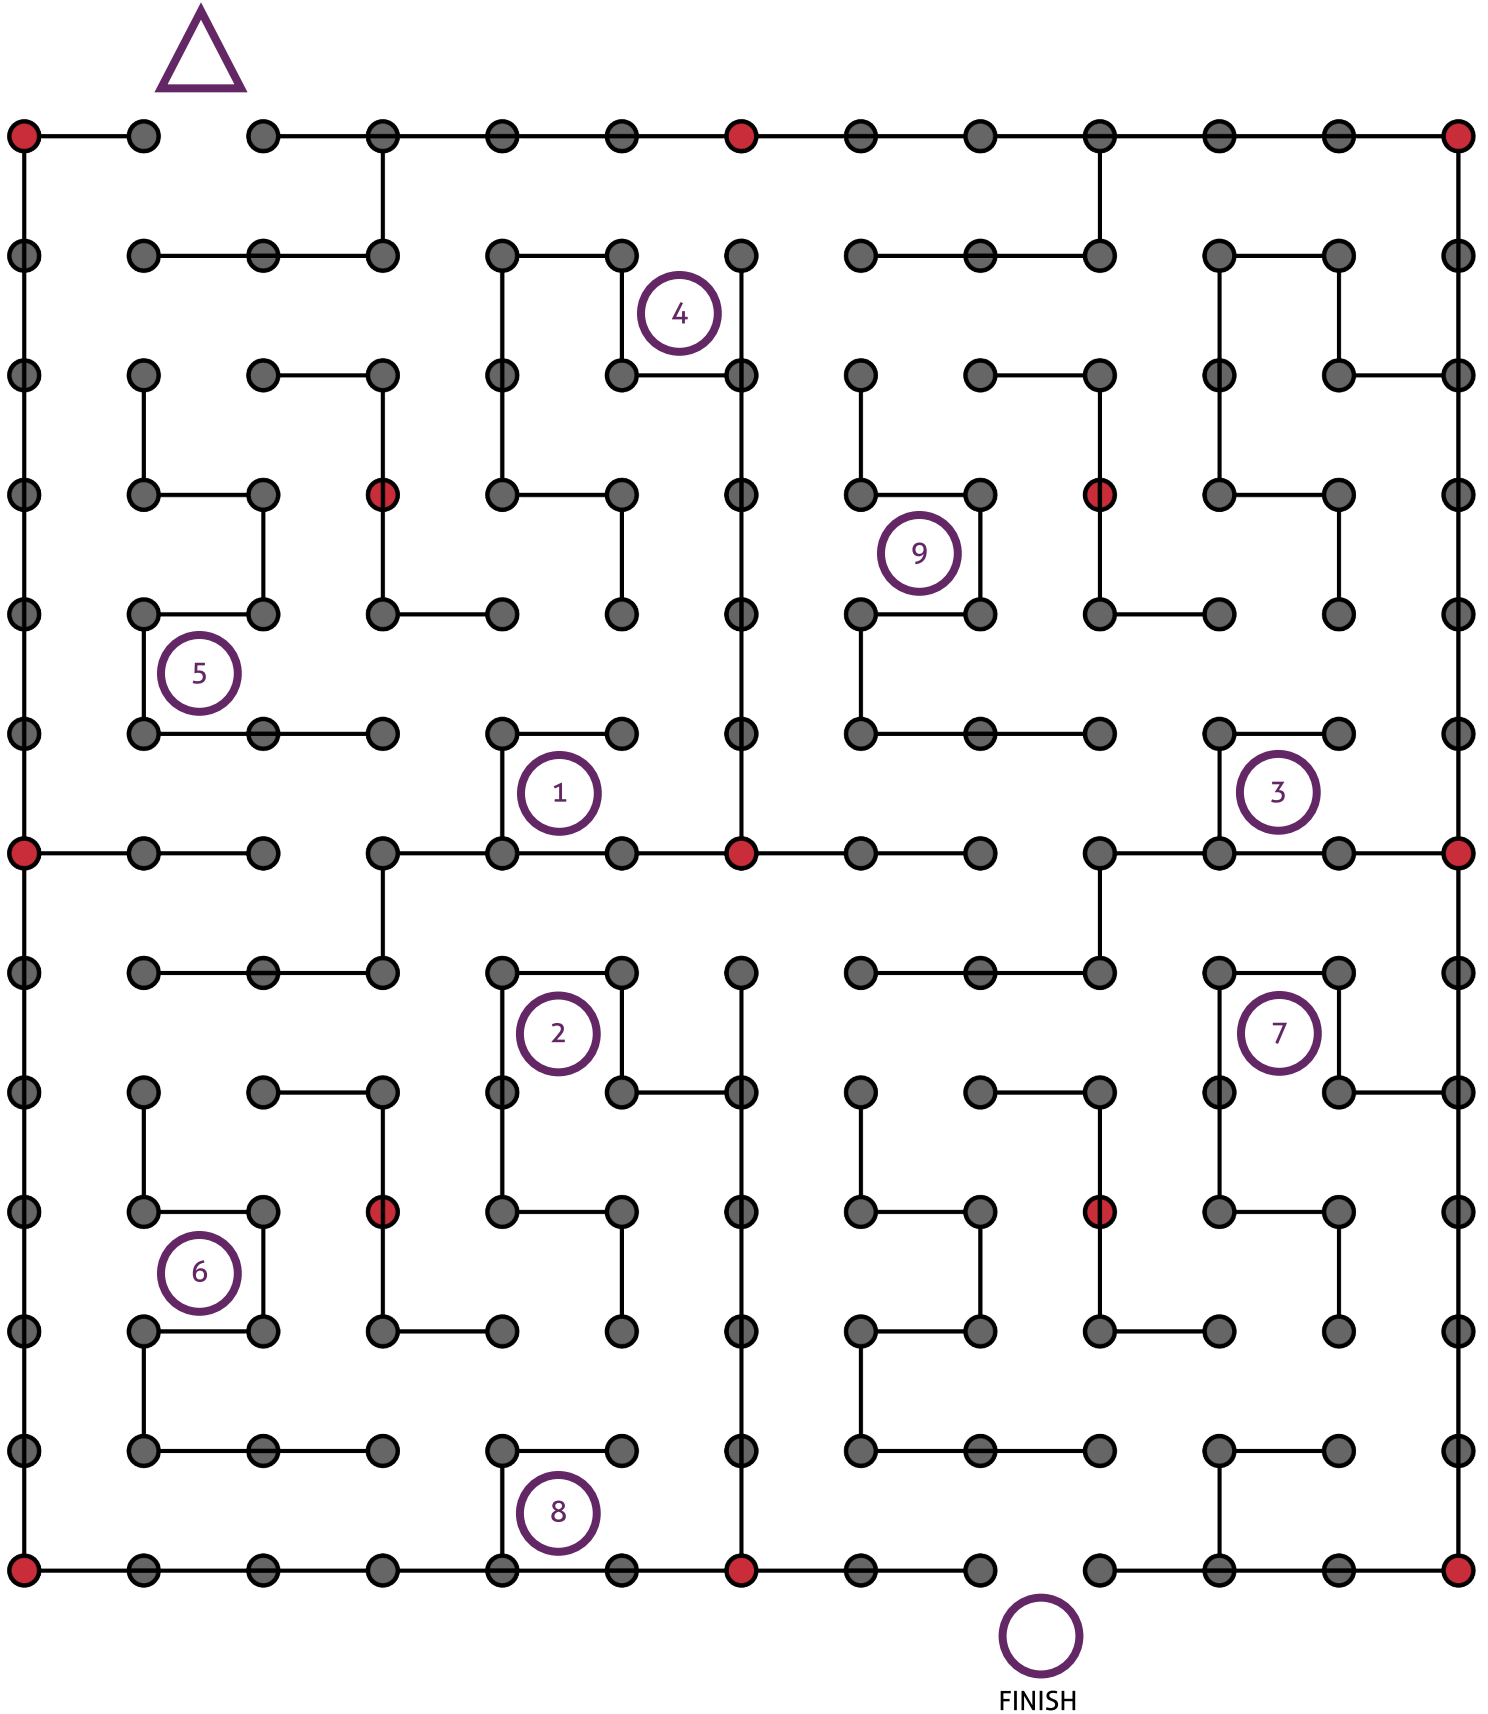

Use the practice mazes to find the best / quickest / shortest route through the mazes, making sure to hit each control - in any order. Draw one, or multiple paths - use colored pens or pencils to mark your routes.

MAZE-0 Practice #3

(c) Andreas Johansson 2016

Use the practice maze to find the best / quickest / shortest route through the maze, making sure to hit each control in order. Draw one, or multiple paths - use colored pens or pencils to mark your routes.

MAZE-0 Practice #3

(c) Andreas Johansson 2016

Use the practice maze to find the best / quickest / shortest route through the maze, making sure to hit each control, but in any order. Draw one, or multiple paths - use colored pens or pencils to mark your routes.
