

# INSTRUCTIONS for the 2020 Virtual Cuyahoga FallsQuest

## Simple rules:

A. Using ONLY Google Street View and the map download, answer the following questions.

B. Email your numbered list of answers to [bob@neooc.com](mailto:bob@neooc.com)

Be sure to include your name and address.

**PRIZES!!!** The first five persons to send correct answers will receive a “muff” from the 2019 Python Adventure Race. A picture of this wonderful piece of athletic wear can be seen on the Python page on our website.

## Hints for Street View:

> You can use open Google Map or Google Earth to use Street View.

> Move back and forth on the street to view from different angles.

> The mouse thumb wheel will zoom in Google Maps. Google Earth zooms using a vertical slider at the right side of the Street View image. After clicking “Exit Street View” in Google Earth, click the R key to reorient the map.
